DETAILED ACTION

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: Prior art could not be located that taught treating the upper surface of the first layer of low k dielectric material with a plasma formed from a non-oxidizing gas to form a first layer of densified dielectric material over the remainder of the underlying first layer of low k dielectric material. This limitation, in conjunction with the other claim limitations, was neither disclosed in, nor suggested by, the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
